

BIOGRAFIA DI LUCA D'ATTOMA

Luca D'Attoma was born in 1964 in Borgo S. Lorenzo (Florence). **In 1985 he completed his studies at the School for Oenology and Wine Making in Conegliano Veneto** with a dissertation on fermentation blocks and reactivation with yeast.

Once he had finished military service, he served an apprenticeship at **Azienda Agricola Bellavista in Franciacorta** and subsequently went on to work with **Sartorius GmbH** for whom he carried out a project on microfiltration and microbiological analysis.

From 1989 to 1992 he worked with **Fattoria di Albola** in Chianti Classico, **Fattoria Ponte a Rondolino** in San Gimignano and **Fattoria Montellori** in Chianti.

In 1991 he embarked on his career as a freelance wine consultant working, in Tuscany with the **Azienda Agricola Le Macchiole** in Bolgheri and **Tua Rita** in Suvereto, in Veneto with **Azienda CAV. G.B. Bertani** in Verona.

In 1999 he set up his own company, W.E.C., Wine Evolution Consulting, which comprises a pool of experts in the wine industry.

Services include consultancy for design and management, mechanical and manual, of vines, design and set up of wine cellars, complete wine making process, quality control, wine tasting including professional courses.
